

1001E Schedule

Term: Spring 2019

The 1001E lab is dedicated to CSci 12700: Introduction to Computer Science.

* 1001E Lab hours this term are: 9:30am-6:30pm, Mondays to Fridays.

* The lab does dual purpose of holding recitation and tutoring hours.

* You are welcome to come in for tutoring during recitation section. The instructors' first priority is the students enrolled in the section but can help with drop-in tutoring, time permitting.

* On-line help is available via: huntercsci127help@gmail.com
